

Privacy Policy

Date Last Modified: April 3rd, 2023.

Introduction

PC7 Client is committed to protecting your privacy. This privacy policy ("Policy") explains how we collect, use, and disclose your personal information in connection with your use of PC7 Client and related services. By using PC7 Client, you consent to the collection, use, and disclosure of your personal information in accordance with this Policy.

Information We Collect

We may collect information about you, your accounts, and your devices when you use PC7 Client. This includes your Krunker account username(s), any discord IDs (accessible via our Discord RPC integration), the usernames of any linked twitch accounts (accessible via our Twitch Integration), your device's hardware ID (HWID), the URL of any games that you are in at the time logs take place, and information regarding whether or not you are blacklisted from PC7 Client, as well as any other information that you directly choose to provide to us. We may also collect information about your use of PC7 Client, including general usage data and general device hardware information.

How We Use Your Information

We may use your personal information to provide you with the services and features of PC7 Client, to communicate with you about PC7 Client, and to improve PC7 Client. We may also use your personal information to personalize your experience with PC7 Client, to verify your identity, and to enforce our terms of service. Under some very strictly controlled circumstances, we may also provide usage logs to the owners and staff of Krunker, a game owned by FRVR Ltd. upon request. By continuing to use PC7 Client you both acknowledge and agree to this.

Disclosure of Your Information

We may indirectly disclose your personal information to third parties who provide services to us, such as content hosts and providers, and any third party apis that we interact with. We may also disclose your personal information if required by law or if we believe that such disclosure is necessary to protect our rights or the rights of others.

Security of Your Information

We take reasonable measures to protect your personal information from unauthorized access, use, or disclosure. However, we cannot ever guarantee that your personal information will be completely secure.

GDPR Compliance

PC7 Client is committed to complying with the General Data Protection Regulation (GDPR) of the European Union. By using PC7 Client, you consent to our collection, use, and disclosure of your personal information as described in this Privacy Policy. If you have any questions or

concerns about our compliance with GDPR, please contact us using the information provided in the "Contact Us" section of this Privacy Policy.

Changes to this Agreement

We reserve the right to modify or update this Agreement at any time, in our sole discretion. If we make material changes to this Agreement, we will notify you by posting a notice on the official PC7 Client Discord server prior to the effective date of the changes. Your continued use of PC7 Client after the effective date of any changes to this Agreement constitutes your acceptance of such changes.

Miscellaneous

This Agreement constitutes the entire agreement between you and us regarding our use of any and all of your data obtained via PC7 Client as listed in the agreement. If any provision of this Agreement is found to be invalid or unenforceable, the remaining provisions shall remain in full force and effect. Our failure to enforce any right or provision of this Agreement shall not be deemed a waiver of such right or provision. You may not assign this Agreement or any of your rights or obligations hereunder without our prior written consent. We may assign this Agreement, in whole or in part, at any time without notice to you.

Contact Us

If you have any questions or concerns about this Agreement, please contact us on Discord. Our official Discord server may be found here: <https://discord.com/invite/BxweEFyZFm>. Communication regarding disputes or questions about this agreement or other bundled policies and licenses should be discussed directly with any user in the server with the "owner" role. Alternatively, users may send the owners of PC7 Client an email at support@pc7client.com.
